The Olde VILLAGE INN Collection

Fine Handcrafted Furniture

Vol. 17

Welcome to the...

The Olde VILLAGE INN Collection

Presenting the lasting beauty of solid handcrafted hardwood furniture from ***The Olde Village Inn Collection***.

As you browse this catalog, you will find a variety of styles and finishes represented.

In this catalog, we are introducing the Venice Collection inspired by architects several thousand years ago. The fluted columns and accompanying capitals have been silent reminders of design elements that stood the tests of time.

Whether you are intrigued by the columns in the Venice collection, the iconic radius moulding in the Le Chateau collection, or the simple straight lines of the Shaker collection; you will find each style anchored in a time period many years ago. They stood the test of time and have been a reminder to all that there are still some things that last.

We have combined what we consider some of the great designs from the past along with time proven joinery to present to you – ***The Olde Village Inn Collection*** of bedrooms.
